

Cat® Inspect

Get the picture. And the notes.

Cat Inspect is an easy-to-use application that allows users to download and complete inspections and include additional information such as pictures, comments, and ratings. With machine-specific Preventive Maintenance (PM) checklists, performing recommended services at the appropriate intervals has never been easier. Never lose another paper inspection—complete and share your inspections electronically with Cat Inspect.

- Digital inspections provide real-time information for review, retention, and printing
- Optimized for mixed fleet owners: Secure inspection results for Cat and non Cat assets in one place
- Red, Yellow, or Green ratings allow for quick identification of actionable items
- Prioritize repair spend budget based on inspection results and status
- Help screens available within the inspections for applicable information
- Assign inspections and review results from various employees
- Add ratings, make comments, and take pictures during inspections
- Integrated with other systems like VisionLink® for a big picture view of your fleet

Download Cat Inspect at no cost for your Apple or Android device. Contact your local dealer for help with access or visit www.cat.com/catinspect for more information.
