ANNOUNCEMENT

February 1, 2013 PLM opens the doors to new Parts Facility

CYPRESS, TX – PipeLine Machinery International (PLM-Cat) President Tony Fernandez along with PLM employees celebrate the opening of the new Parts Facility located at PLM headquarters in Cypress, TX USA.

The new building is just under 12,000 sq. ft. and is located in the open area between the service facility, which opened in 2011, and the main headquarters office building that opened in 2012. The site work began in September of 2012 and as of February 1, 2013 is fully operational.

PLM now sells purpose-built parts to support the mainline pipeline construction industry. In addition, the parts department will carry components for the growing list of pipeline solutions found on the PLM website. You can expect parts to be available from PLM partners such as Vanguard, Cranesmart, and DECK-HAND® Pipe Handling System.

The company's worldwide activities are currently supported through the corporate office in Cypress, Texas, USA; Edmonton, Alberta, Canada; The Hague, Netherlands; Beijing, China; Melbourne, Australia; and Singapore.

For further information, contact PLM-Cat Marketing & Communications Manager, Dawn Rivera, at drivera@plmcat.com or by telephone at +1-713-939-0007. Additional information is available on the PLM website at www.plmcat.com.
